T418 Forestry Skidder

TRELLEBORG

T418 Forestry Skidder

Trelleborg T418 is the perfect tire for heavy-duty logging service. The tire is specifically designed for log skidding service with maximum traction and tear resistance to provide longer tire life under the most severe operating conditions.

- The armored plies and **steel belts** protect the casing against stumps, boulders and rocks
- Cut and tear resistant tread rubber for longer tire life
- Deep, strong lugs provide and maximize traction and grip
- Extra reinforced sidewall increases stability and protection against impacts
